

17 November 2011

Dear Parent

Sixth Form Opportunities Evening

We have now reached an absolutely critical time for Year 11 students both in terms of their final preparation for those critically important GCSE examinations and in terms of decisions being made about what to do after GCSE.

As always, we aim to give our young people every assistance possible so that they are well informed and also given clear advice about what would be best for them going forward. We do this secure in our extensive knowledge of them and also our experience of assisting very many students over the years in securing success. My purpose in writing to you today is to remind you of the valuable opportunity which exists on Thursday 24 November 7.00pm – 9.00pm at our Sixth Form Opportunities Evening.

Whether a young person is clear as to whether or not they wish to remain in education next year, attendance at this Opportunities Evening will enable exploration of options. Also, we will have our ‘advice helpdesk’, which will deal with individual queries and provide us with the opportunity to give specific advice to individual young people. This ‘advice helpdesk’ will be staffed by senior members of staff who are able to assist with extensive information sharing.

As you see, this really is an invaluable opportunity to assist in the process of confirming plans for next year, so I very much look forward to seeing you there.

With very best wishes

Kathleen M. Higgins
Headteacher
