

10<sup>th</sup> September 2025

Dear Parents / Carers,

**Volunteers: Careers Day 2026, Wednesday 4<sup>th</sup> February.**

I am excited to inform you that we will be holding our annual whole school careers day on, **Wednesday 4<sup>th</sup> February 2026**. This exciting event involves students engaging in different aspects of careers education, including the opportunity to learn more about different professions. The aim of the event is to support students in understanding their next steps and exploring their potential future professions. The day is designed to provide a bespoke experience for each year group.

Last year, we were delighted to have over 80 external business volunteers in school, providing students with high quality exposure to a wide range of careers. If you would like to volunteer to be involved in this unique event, please contact me using the link below. It is an exciting time to be a student with so many career opportunities available however it can be overwhelming. This annual event supports students in their understanding of their future choices and possible pathways.

If you, or anyone that you know, would be able to support this event by holding a workshop, running an assembly, or having an interactive stand, please complete the short Microsoft form.

If you have any questions in relation to careers day, please email me on [pfair@altwoodschool.co.uk](mailto:pfair@altwoodschool.co.uk)

I look forward to providing families with more details of this exciting event in the coming months.

Yours faithfully,

*P. Fair*
