

Teacher of Social Sciences

“Life in all its fullness” (John 10:10)

Are you looking to join a highly inclusive mainstream school that is committed to every child being **known, valued** and supported to **succeed**? Do you thrive when working with other committed and innovative members of staff? If so, Altwood School is looking to appoint an enthusiastic **Teacher of Social Sciences** to join us in **September 2026**. The successful candidate will be passionate about teaching and creating a positive learning environment for all our students.

All students study Religious Studies up to and including GCSE. Sociology and Psychology A levels are popular, as well as Criminology, and we teach Health and Social Care at both Level 2 and Level 3. We also have timetabled PSHE lessons from Year 7-11 and weekly Sixth Form enrichment.

The successful applicant will be enthusiastic, flexible, well organised and able to work as part of a team. You do not need to offer all of the subjects listed above but experience across a range of social sciences would be an advantage. There will be KS4 and KS5 teaching opportunities.
