

12th May 2026

Dear Parents/Carers,

Following the success of our previous 'lounge wear' non-school uniform day I am writing to inform that we will be holding another 'lounge wear' day in May. We were delighted with how positively students responded to this event with the school community meeting the expectations outlined.

On **Friday 22nd May** we will be hosting a 'lounge wear' non-school uniform day. Students will be expected to make a £2 donation if they wish to participate. As it is a 'lounge wear' theme students are permitted to wear pyjamas, however these must be appropriate to the school setting and allow students to fully engage in their lessons on that day. Equally, on this occasion students may wear a onesie, this must be worn over clothes. The Parliament team will be reiterating this message with the students, but we ask for your support in ensuring that clothes worn meet our usual standards of expectation regarding decency.

Fancy dress will not be permitted. If we consider your child's choice of clothing inappropriate, we will call home to request that you bring a change of clothes for them before they participate in the school day. Students who have PE on this date are expected to bring their full Altwood School PE kit for their lesson. Children who do not wish to make the donation are expected in full school uniform. Payments for this event should be made via scopay by **Monday 18th May**.

Yours faithfully,

Mrs R Nehme & Altwood Parliament
Assistant Headteacher
