

18th September 2026

Dear Parents and Carers,

We would like to warmly invite you to take part in our annual Careers Day on Wednesday 3rd February 2027. This event has become a highlight of our school calendar, and last year we were delighted to welcome over 90 volunteers from a wide range of professions who generously gave their time and expertise.

Throughout the day, all students will be off timetable and will take part in a variety of workshops, talks and interactive sessions designed to broaden their understanding of the world of work. Careers Day provides an invaluable opportunity for students to explore different pathways, ask questions and gain insight into the skills and experiences that employers value.

As you may have seen in recent news reports, a significant number of young people nationally are not currently in education or employment. This makes it more important than ever that we equip our students with the guidance, inspiration and real-world knowledge they need to make informed decisions about their futures.

If you, or anyone that you know, would be able to support this event by holding a workshop, running an assembly, or having an interactive stand, please complete the short Microsoft form using the link or QR code. [Careers Day 2027 \(Wednesday 3rd Feb\) – Fill in form](#)

If you have any questions in relation to careers day, please email me on careersday2027@altwoodschool.co.uk I look forward to providing families with more details of this exciting event in the coming months.

Yours faithfully,

P. Fair
