Dear Parent / Carer,

Re: Reading for Fun

As part of our growing enrichment programme, we are excited to announce a new 'Reading for Fun' book club for invited Year 7 students. The club will take place during Tuesday first break, in the library, which is in Durham block. The first session will be on Tuesday 27th September. Students will read selected books together with a member of staff and discuss the topics and characters that are featured.

As part of this offer, students will be provided with cookies to enjoy as we read, or they will be able to eat their own snack. Once a book has been finished, students can take them home and start to build their own library. Attending students will have the opportunity to suggest future reading material.

Please note that the club has limited spaces. If the club is oversubscribed, places will be allocated by a lottery system.

Please complete and return the attached slip to the school office to confirm your child's attendance.

Yours faithfully,

R Nehme
