

October 2022

Dear Parent/Carer,

Year 11 Drama Devising Examination, Thursday 20th October 2022.

As you will be aware GCSE Drama students will complete their devised practical examination this term. This component, which consists of both a performance and a log book is worth 40% of students' overall GCSE grade. The practical part of the examination will take place on Thursday 20th October.

Students will be off timetable during the school day in order to finalise and then perform their work. During this day, they will not be required to wear school uniform but will need to dress appropriately for the work that will be covered. We have requested the students wear loose, appropriate, comfortable clothing.

Students have been working hard to prepare for this aspect of their examination and we would encourage your support on the day. Parents are welcome to watch the examination performances. If you are able to attend, please indicate on the second part of the form below. We would ask you to arrive for 4.45pm. As it is an examination there may be a small break between the performances for marking purposes.

It is important that all students understand the significance of this work. The performance for this component will be marked on the day and then submitted to the examination board in due course. Students do not have an opportunity to improve or amend their performance as the mark takes account of the live performance situation. Students have received a full briefing and I am confident that they will rise to the challenge!

I would like to take this opportunity to wish all students every success with this element of their examination work and I look forward to watching their finished performances next week.

Yours faithfully,

R Nehme
