

24th November 2022

Dear Parents and Carers,

As a part of your child's education, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives young people the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential.

I am writing to let you know that, over the next two terms, starting 7th December, Year Eleven will be taking part in lessons which will focus on the relationships and sex education (RSE) aspect of this programme. RSE lessons will include teaching about: Healthy relationships, including friendships and intimate relationships; families; keeping safe and consent and developing self-esteem and confidence.

Pupils will also have opportunities to ask questions that help prepare them for relationships of all kinds in the modern world. PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and senior team. All PSHE teaching takes place in a safe learning environment and is underpinned by our school ethos and values.

Yours faithfully,

R Nehme
