

## Altwood Mathematics Transition to KS5 summer work

We are excited to have you join us to study mathematics into KS5, to ensure that you are ready for the upcoming challenges please complete the online course provided by Integral maths:

<https://my.integralmaths.org/login/index.php>

Please login using your username from below:

Username	Password
3097T-mayton	3097T-mayton
3097T-aesheyigba	3097T-aesheyigba
3097T-sgeorgieva	3097T-sgeorgieva
3097T-kgupta	3097T-kgupta
3097T-vgupta	3097T-vgupta
3097T-nncheramakonye	3097T-nncheramakonye

If there is not a username that matches your name above, then please contact Mr Smee to set up account; [dsmee@altwoodschoo.co.uk](mailto:dsmee@altwoodschoo.co.uk). Use the subject 'KS5 transition work' and include your full name and mathematics course you wish to take (A-level/Core).

**Please complete the course and bring your certificate to your first lesson.**

You will also need to ensure you have a suitable calculator for KS5 mathematics. **We recommend the Casio fx-991EX** (or the newer version **fx-991CW**) as the basic level of calculator for the course. *A graphical calculator, such as the fx-CG50, is occasionally useful but is not needed.*
