

History Department

Curriculum Overview - Year 9

The Big Picture:

Year 9 history focuses initially on major events of the 20th century such as the Holocaust and the Cold War period. The GCSE course is introduced in January of year 9 with all students studying Medicine through time from Medieval to Modern times.

AO1: demonstrate knowledge and understanding of the key features and characteristics of the period studied.

AO2: explain and analyse historical events and periods studied using second-order historical concepts.

AO3: analyse, evaluate and use sources (contemporary to the period) to make substantiated judgements, in the context of historical events studied.

AO4: analyse, evaluate and make substantiated judgements about interpretations (including how and why interpretations may differ) in the context of historical events studied.

<p>Term 1: The Holocaust Green Task: Essay Multi factor essay question on causation Content- Why was it able to happen? Anti-Semitism 1933-45.</p>	<p>Term 4: Medicine through time Green Task: How did the Renaissance change medicine?</p>
