

Welcome to Science at Altwood School!

Please watch the video from this link, which will serve as an introduction to the Science Department.

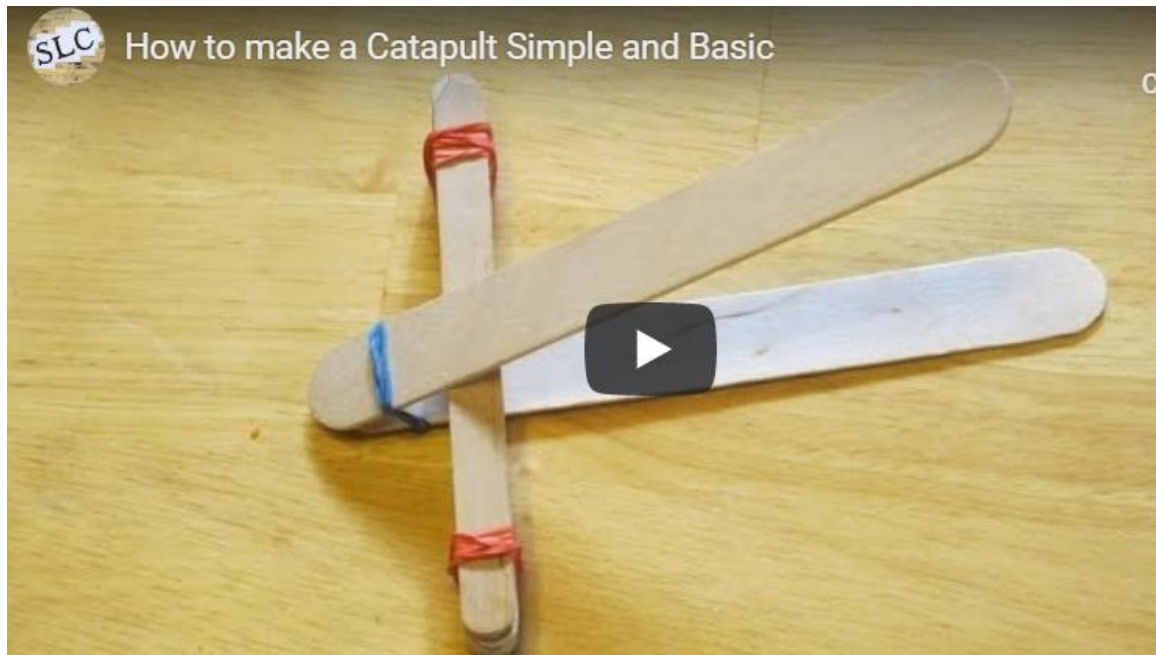

<https://www.youtube.com/watch?v=ax1wsj6YC7w>

There are also resources below for you to have a go at some Science during your Science lesson slot now, or at any time over the summer before you join us in September. There are more Science tasks to have a go at in the folder titled "lessons". It would be great if you could send any results to hscott@altwoodschoo.co.uk or narnold@altwoodschoo.co.uk so that we can see just how hard you have tried!

Have a great summer, and enjoy your Science!

Altwood Science Team
