

### **Altwood C of E School Celebrates Continued Success**

Sixth Formers at Altwood Church of England School were once again celebrating their A Level and BTEC results.

Building on the success of previous years, 2020 results saw some incredible success with 45% of grades awarded at A\*-A. 90% of students achieved A\*-C grades, and an excellent 100% of students following a vocational course achieving well deserved success. The overall pass rate sat at 99%.

Among this year's top performers were:

Tazz Bennett-Gant A\* A\* A\* (Maths/Biology/Chemistry) Off to study Chemical Engineering at Imperial College, London.

Alex Bainbridge A\* A\* A\* (Physics, Computer Science, Maths) Off to study Artificial Intelligence at Imperial College, London.

Joe Antinoro A\* A\* A\* (Maths / Chemistry / Biology) Off to study Micro Biology at Imperial College.

Sinead McDonald A\* A A (Philosophy & Ethics/ English Literature / History) Off to study English at University of Exeter.

Hayley Garrett A A A (English Lit / Art and Design / Geography) Off to study Art and Design at Central St. Martins.

Connor Hind A A A (Biology, Chemistry Maths) Off to study Chemistry at Liverpool University.

Lydia Miles A A A (Biology, Chemistry History) BioChemistry at Bristol University

Headteacher Neil Dimpleby, commented, "With so much uncertainty surrounding this year's results we are delighted once again that such a significant number of our young people have successfully gained a place at the university or apprenticeship of their choice, it's a credit to them and the staff at Altwood. I am incredibly proud of our students; all their hard work over the past two years has certainly paid off! The whole of the Altwood community wishes them well in the next phase of their life."
