

8th January 2021

Dear Year 11 Parents / Carers,

Re: Sixth Form Virtual Information Evening

I wish to begin by thanking each of you for your support in ensuring that your children are engaging in the online lessons that we have been providing for them this term. It never ceases to amaze and impress us how this year group is so positive and focused on achieving for their futures.

Our aspiration is that their future is with us in our dynamic, successful and welcoming Sixth Form. On **Monday 11th January**, we will be launching our **Virtual Information Evening**, and application process for studying in our Sixth Form in September. I highly recommend that every student in Year 11 explores our offer, including the departmental videos, senior student video, information booklet and presentation from Miss Brittain and me.

On Monday, the resources will be available via our YouTube channel, and **the application process will go live on Tuesday 12th January via SIMS Online.**

On Thursday 14th January, subject leads and I will be available for five-minute consultations to discuss any questions about relevant subjects or our Sixth Form in general, if you would like further information. This will be on the School Cloud app that you will have used in the recent Year 11 Virtual Parents' Evening. Meetings will run from 6.30, and a link will be sent to you shortly to enable you to book appointments, should you wish to. Taking part in one or more of these meetings is optional.

Your child will have had a taste of what life in our Sixth Form will be like following our successful Taster Day on 15th December, and we are confident that they enjoyed their greater privileges and studying subjects even more tailored to their interests and skills. We are all genuinely excited at the prospect of this year group joining our Sixth Form, and supporting them to develop and grow to become the successful and happy young men and women we know they can be.

Yours sincerely,

S McCallion
Assistant Headteacher
