

16-19 Tuition Fund Statement 2020-21

The Government has introduced the 16 to 19 Tuition Fund which is one-off funding for the 2020-2021 academic year only, to support Sixth Form students meeting specified criteria. It is ring fenced funding for schools to mitigate the disruption to learning arising from COVID-19.

The school has been given a limited amount of money from this fund to primarily support students who have not yet achieved a grade 4 in GCSE English Language and/or Maths. With any remaining funds, we are then able to support students who did not achieve at least a Grade 5 in English Language and/or Maths. The fund is not limited to students with their GCSE English Language and/or Maths but can be used for any aim within a learner's programme of study.

For the students identified as meeting the criteria above, funding will be established on the basis of individual progress and need. At Altwood School, we will use the funds to deliver extra tuition and spend the associated funding on the following approaches:

- GCSE resit preparation
- Subject specific support and resources
- Pastoral mentoring
- Independent advice and guidance with our careers partner

Sessions may be delivered using a blend of online and in-school delivery.

The impact of this intervention will be monitored based on student performance and progress in their courses and their preparation and confidence in applying to future destinations including higher education, apprenticeships and employment.
